THE EIDSON GROUP
GOVERNMENT CONTRACTING

CAPABILITY STATEMENT

Service-Disabled Veteran-Owned Small Business

COMPANY OVERVIEW

The Eidson Group, LLC is a Service-Disabled Veteran-Owned Small Business providing government contracting advisory and program support services. We help organizations and prime contractors navigate the federal marketplace, from identifying the right agencies and contract vehicles to supporting procurement and program execution.

CORE COMPETENCIES

- **Program & Procurement Support** for federal programs and prime contractor teams
- **Federal Market Research** and agency targeting by FSC, PSC, and NAICS
- **Federal Sales Roadmaps** and acquisition strategy
- **Subcontracting Support** for large prime contractors
- **Business Analysis & Program Support Personnel** for prime contractor teams

DIFFERENTIATORS

- Active SDVOSB, available to help primes meet small business subcontracting goals
- Working knowledge of federal buying channels, including SAM.gov and DLA DIBBS
- U.S. Army veteran (CBRN Specialist) and industrial operations professional, bringing a disciplined, safety- and compliance-minded approach

PAST PERFORMANCE

- **Federal Sales Roadmaps** delivered to two staffing firms, identifying the agencies and contract opportunities best aligned to each company
